

School Board

Board Member Term of Office

School Board members are elected at the consolidated election held on the first Tuesday in April in odd-numbered years, and, subject to the provisions of the Illinois Election Code, serve 4-year terms of office, unless a proposition that provides for 6-year terms is approved by District voters.

Following the canvass of votes and proclamation of results, new School Board members will assume office at the organizational meeting of the Board -- which is held within 28 days after the consolidated election.
