Board Member Communications with Media

The Board President and the District Superintendent will serve as the primary spokespersons for the Board of Education to any person representing area print and/or electronic media communication. They will also be responsible for the development and issuance of printed news releases.

The Board President may refer specific media questions to the appropriate Board committee chairman or Board member.

The Board may, on occasion, delegate the responsibility of spokesperson for employee contract negotiations to the Chief Negotiator. In this case, the Chief Negotiator alone will respond to media inquiries regarding negotiations.
