

## **Instruction**

### **Organization of Instruction**

The School District has instructional levels for grades Pre-K through 12, including a transitional program for eligible students with disabilities.

Students, for instructional purposes, including a transition program for eligible students with a disability, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

### **Kindergarten**

The District maintains a full-day kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of the State law. The District also offers a half-day kindergarten for those parents/guardians who request a half-day program.
