### **International Students**

District #204 accepts foreign exchange students with a J-1 visa, who reside within the District as participants in an exchange program sponsored by organizations approved by the administration. Exchange students on a J-1 visa are not required to pay tuition. An exchange student must reside with a host family within the attendance boundaries for the appropriate high school. Such students are expected to pay all typical school expenses, including academic and extra-curricular related fees. Attendance is limited to 12 months.

The Administration may limit the number of exchange students admitted in any given year. Exchange students must comply with the District immunization requirements. Once admitted, the exchange students become subject to all District policies and regulations governing students.
