### **Senior Citizens – Complimentary Athletic Passes**

Any person age 60 years or older, who is also a resident of District 204, can receive a lifetime pass to athletic events. To receive the pass, the person must apply in person at the school office and present identification and proof of age. Complimentary passes shall not be honored for the Illinois High School Association sponsored contests or tournaments.

Such passes represent the Board's appreciation for the support senior citizens have given the District over the years.
