

Procedures for Public Comment at Board of Education Meetings

[Board Policy 2:230](#)

Individuals wishing to address the Board of Education must sign up by 6:57 p.m.

30 minutes is allowed for public comment, and each person is limited to three minutes.

When addressing the Board, please respect the confidentiality and safety of our students and school district personnel.

We also ask that those addressing the Board be cognizant that this is an open meeting and is available to all age groups and, as such, ask that you consider who the audience members are this evening and keep comments age appropriate. Public comment represents the voice and opinion of the speaker.

There will be no feedback from the board members during the meeting, but follow-up will be provided by an administrator as appropriate.
